BD Injection Products

(Needles, Syringes and Needle/Syringe Combos)

BD Medical Surgical Systems is a global leader for hypodermic needles and syringes. BD has been a pioneer and leader in developing high-quality, easy-to-use injection devices designed to protect against needlestick injuries and exposure to bloodborne pathogens. BD offers one of the most complete lines of advanced safety-engineered products in the industry.

BD Infusion Products

(Insyte™ Catheters, Angiocath™ Catheters)

All BD Catheters incorporate the sharp BD technology and a tapered catheter tip to facilitate penetration and insertion. Most of these catheters are also made with BD Vialon™ Biomaterial, clinically proven to:

- Increase the ease of penetration
- Reduce splitting and peel back
- Resist kinking
- Reduce the risk of phlebitis up to 50%
- Reduce the risk of catheter-related complications
- Increase indwelling times

BD Sharps Collection Products

(Sharps Collectors, Trolleys, Brackets and Cabinets)

BD Medical Surgical Systems offers a broad selection of uniquely designed sharps collectors with point-of-use convenience and numerous built-in features. BD Disposal Solutions is dedicated to the design, manufacture and distribution of safe, effective medical technology products while minimizing environmental impacts. The "reduce, reuse, recycle" motto is at the forefront of all product development in the sharps collector product line, wherein they work to maximize waste segregation, minimize costs and embrace environmental stewardship.

The use of this program forfeits and specifically prohibits the use of any other promotions or discounts related to BD Injection, Infusion and Sharps. The account may participate in other BD product line promotions or discounts. BD may increase prices of any product at any time. This program is subject to cancellation by VPL and BD at any time.

This commitment letter is an agreement between the account and VPL (as a sales agent of BD) that certain purchase amounts will be met over a 12-month period and the account will purchase a minimum of 50% of the committed level in the first six months in exchange for the special program as outlined above. In the event the Veterinary Account does not meet the above purchase commitments over the 6-month/12-month period, the Veterinary Account will be removed from the special program reverting to the regular DVM program and pricing.

The Distributor shall set its own pricing to its customers, as it sees fit.
